

**Position: EHS Teacher (CDA Certified)**

**Job Status: Grade 7, Step depending on experience and qualifications**

**I. General Responsibilities:**

It is the responsibility of all EOAC employees to support EOAC's mission and goals, to respect the confidentiality of all who come to us for information or assistance, and to personally maintain the dignity and integrity of one who is placed in a position of public trust. We all bear the responsibility of improving the organization, communicating openly and empowering each other to excel at our work.

**II. Minimum Qualifications:**

- Should possess a Child Development Associates (CDA) Credential that is appropriate for center based setting
- Must have two (2) years experience in working directly with preschool children
- Must work in collaboration with the assistant teacher or team teacher and program staff to enhance the parent's role as the principal influence on the child's education and development
- Must have knowledge of developmentally appropriate practices for preschool children
- Must possess the ability to communicate effectively and relate positively to children, parents, staff and volunteers in a diverse environment
- Must have the ability to adjust to varied situations, demands and new instructional concepts
- Must have knowledge of basic clerical tasks such as record keeping, filing, copying, etc.
- Must be currently enrolled in the Child Care Division of the Criminal History Registry and have FBI fingerprinting clearance
- Must have First Aid and CPR certification
- Must have completed Mantoux tuberculosis (TB) skin test or recent negative chest x-ray and a statement from a health care provider that the individual does not pose a risk to others
- Must be able to lift 25 pounds without limitations

### **College Credits**

When college credit is required for EOAC Head Start/Early Head Start staff, the following applies:

- College credit must be earned from an accredited institution of higher education
- One college semester credit equals 1.5 college quarter credit
- Early childhood education (ECE) credit is coursework with content closely related to child development requirements and predominantly addresses children ages birth to eight
- Staff requirements for an associate degree allow any “two year” community or technical college degree of 90 quarter credits or more, including degrees as designated as AA or AAS
- Equivalent degrees and credentials from other states and countries are accepted

### **III. Specific Responsibilities:**

1. Contributes to the development of communication, mutual respect, mutual support, competence, and creativity among all members of the EOAC Head Start and Early Head Start staff
2. Provide leadership and support to assistant teacher(s)
3. In collaboration with other center staff, supports and participates in ongoing recruitment efforts to ensure full enrollment
4. Plans and develops a daily schedule of classroom routines and activities. Prepare and implements lesson plans in accordance with the EOAC Head Start program Service plan and policies and procedures. Provides an integrated, child centered, comprehensive curriculum and multicultural environment, which meets the needs of every child, including those with disabilities
5. Interacts positively with all children to support their individual learning and meets their emotional needs
6. Collaborates with Assistant Teacher or Team Teacher to prepare and organize the classroom and classroom materials in accordance with the planned classroom program
7. Communicates regularly and respectfully with families and involves them in the educational program. Encourages and supports families in
