

About the Tournament

Each year, we host our Benefit Golf Tournament. This year's tournament will take place June 22-23, 2017, at the Cottonwood Creek Golf Course.

We have a fundraising goal of \$25,000, which can only be accomplished through sponsorships from local businesses and people like you.

You'll be supporting the EOAC and its six programs, which now serves nine counties. Previous golf tournament donations have been allocated to provide homeless clients with basic necessities, the elderly and veterans with hot water heaters and AC units, families in need with emergency placements, and provide grants to employees to continue their education.

Based on your donation, you will be recognized at our event through TV and radio promotions, signs on the golf course, or tournament promotional materials.

You'll find all necessary sponsorship information in this brochure, along with the sponsorship form. If you'd like to sponsor the tournament, please return the form and sponsorship amount in person or by mail to EOAC. All donations will be appreciated. Thanks in advance for your consideration.
